

Common Grounds Outreach 2021 Update

Common Grounds Outreach opened doors to the Eastern Kanawha County qualified residents in September, 2007 with the support of three Faith communities, Morris Memorial Methodist Church, Village Chapel Presbyterian and St. Agnes Catholic Church.

Common Grounds has continued to serve qualified clients, with a brief closing for COVID related safety concerns. New guidelines have been implemented to ensure the safety of our clients and volunteers. Clients now remain in their car and are served by our volunteers in a drive thru capacity with the use of masks and gloves. Necessary repairs have been made to the facility; new carpet has been installed and volunteers have painted and cleaned. The program is ready to add back Thursdays beginning the first week in May.

The ministry continues to offer a 3-day supply of food once a month and utility assistance based on need one time per year.
