

SAINT AGNES

COMMON GROUNDS OUTREACH UPDATE

During the past six months our Common Grounds Ministry has continued to practice Matthew 25:40 which states, "Truly I tell you, whatever you did for one of the least of these brothers or sisters of mine, you did for me". Examples include providing food for a refugee family which no longer needs food assistance, assisting a homeless client qualify for their retirement benefits, and assisted some elderly clients in retaining their utilities even though they had received termination notices. In the past six months Common Grounds has expended over \$1,000.00 per month in keeping utilities on for elderly and disabled clients that met the criteria to be qualified. Though the need is still increasing as in the last week of June 54 food boxes were distributed and five new clients were enrolled. We currently have a volunteer assisting on Thursdays that should be able to give a Spanish speaking client assistance with food if they qualified, Thank you in advance for your continuing donations.
